This game is for fun, so it will be a pretty laid back refed game please keep this in mind.

Line up in your kicking order. If you were up last the next player in line is up first at the next inning.

The Ball is rolled over Home Plate by the pitcher. If the ball is kicked below knee it is a fair kick

If a player receives 3 strikes they are out. The strikes will be determined by the umpire.

An out is established by:

Ball caught in the air

If the runner is tagged by the ball

If the ball is thrown to a base before the runner makes it to the base.

If a thrown ball misses the runner, He/she may only run to the next base. (One base on an overthrow rule.)

Once a team gets 3 outs, the team switches sides.

A team gets one point for every runner to reach home plate in an inning.

The game will be played for 8 innings or for 30 minutes whichever comes first.

In a tie breaker one more full inning will be played until one team out scores the other team.
